Education

VIT Bhopal University — B.Tech Computer Science: 8.24/10

Sept 2022 – PRESENT

Shemford Futuristic School, Baran — 12th: 88.2%

Apr 2021 – Jun 2022

Saint Paul's School, Baran — 10th: 95.4%

Apr 2019 – Jul 2020

Skills

Java, Python(NumPy, Pandas), SQL, JavaScript HTML, CSS, JDBC, Hibernate (ORM Framework), Spring Framework (Spring Core, Spring JDBC, Spring MVC), Spring Boot, MySQL

Technical Projects

Animal HealthCare — Java, Spring Boot, MySQL

Nov 2024 - Feb 2025

- **Engineered** a comprehensive web-based platform using **Java, Spring Boot, MySQL** and **HTML/CSS/JavaScript** to improve animal healthcare accessibility, achieving **90% user approval rating**
- **Integrated** verified veterinarian contact system from JustDial API, reducing emergency response time by **40%** through real-time access to professional contacts
- **Developed** multimedia resource library with **50+ curated photos and videos** providing first-aid guidelines and treatment procedures for common animal health issues
- **Implemented** community-driven interface supporting collaboration features, resulting in **20%+ volunteer engagement** from target audience
- **Building** donation and fundraising module with payment gateway integration to facilitate animal rescue, treatment, and rehabilitation efforts

SAMS — HTML, CSS, JavaScript

Aug 2024 - Oct 2024

- **Designed and developed** a web-based agricultural platform using **HTML, CSS, JavaScript** to assist farmers in financial management and agricultural education
- **Implemented** government scheme information system providing farmers access to **25+ agricultural schemes** and resources for improved decision-making
- **Created** financial calculation tools for crop yield prediction, profit estimation, and loan limit assessment (up to **50% of projected profit**)
- **Conducted** field research with **20+ local farmers**, achieving **80%+ satisfaction rate** and validating platform utility through direct user feedback

Certificates and Awards

* GFG Contest: 4-star rating and among the top 5.87% of 36,062 participants

Leadership and Extracurriculars
